Virtual learning with Zoom Student Tutorial

Learn French wherever you are with one of our experienced teachers!

Before you start: what you will need

- A computer with an internet connection
- A headset with a microphone (strongly recommended) or speakers and a microphone
- A camera (recommended)
- A quiet space
- Your usual class material (if applicable)

Step 1: how to join join your virtual classes

A103 - Permanent link for your French virtual classes

Bonjour Paul,

Here is a permanent link to access your virtual French classes:

https://zoom.us/j/97038683376?pwd=ZkhWM2dzaDB6eExZcjc5aGdlU09Wdz09

Check your email inbox and click on the hyperlink in the message.

The meeting ID (if necessary) is: XXXXXXX

Please make sure to keep this information handy as you will use this link for each class during the whole session.

If you have any question or need support, do not hesitate to contact me.

A bientôt!

IMPORTANT: You will need more time before the first class to download the Zoom desktop app if you have never downloaded it before.

Though a browser version is available, we recommend you download the desktop app for a full interactive learning experience.

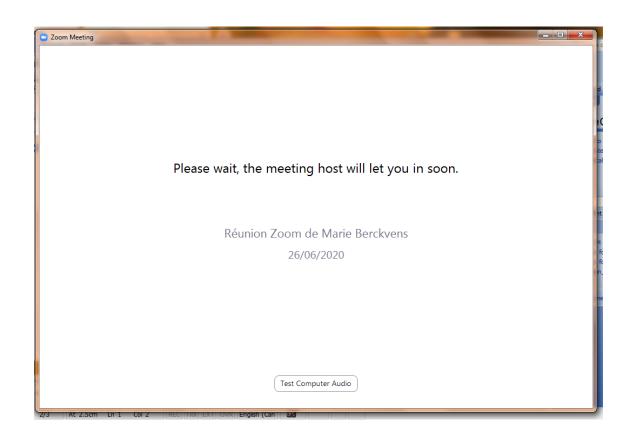

Step 2: identify yourself

If prompted, enter your name and click on "Join Meeting"

zoom.us/i/99258160295?pwd=QINOdGJvczB2VFNaZk1FM1BYbXBxQT09

IMPORTANT: for security reasons, please **use the name you have registered under** so that the instructor can admit you in the meeting. We reserve the right not to let you participate if the name used for the login and the registration are not the same.

You will be in a waiting room until the instructor lets you in

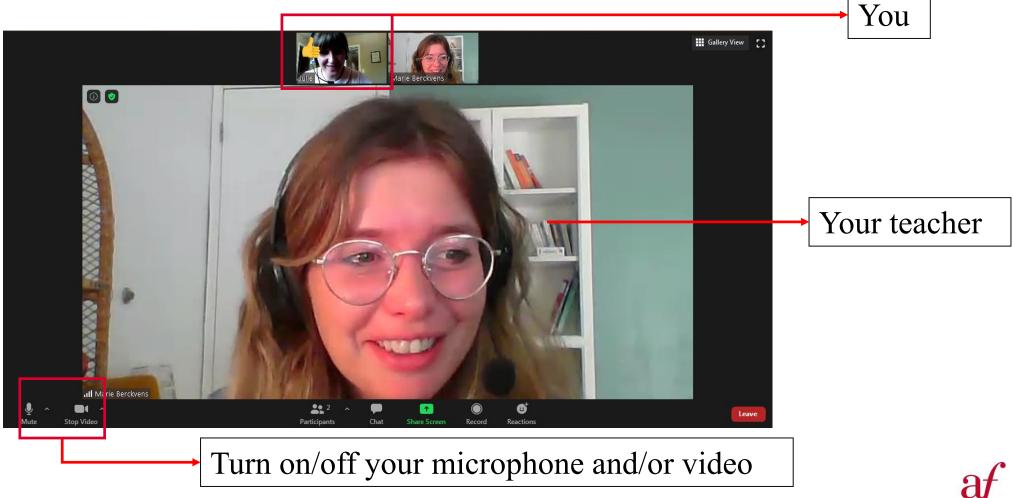

The meeting may start in a small window on your desktop.

Simply click here to maximize the window.

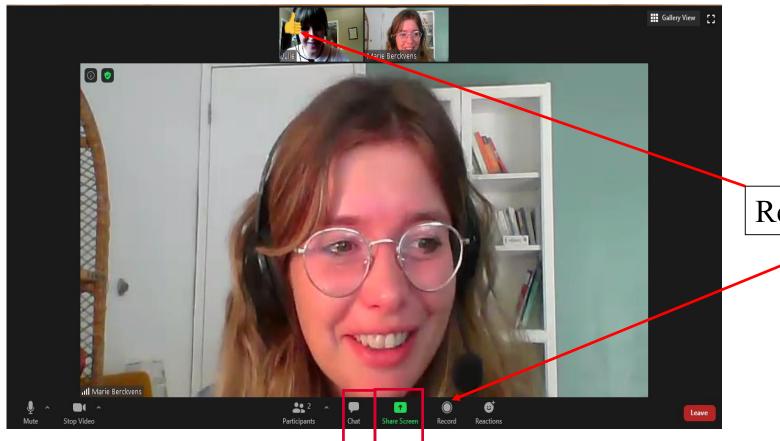

Step 3: check your settings and environment

Note: the meeting may start with your microphone and/or your camera off, click on the icon(s) to activate.

During class: interact with your teacher and participants

React with a 🖕 or a 🍣

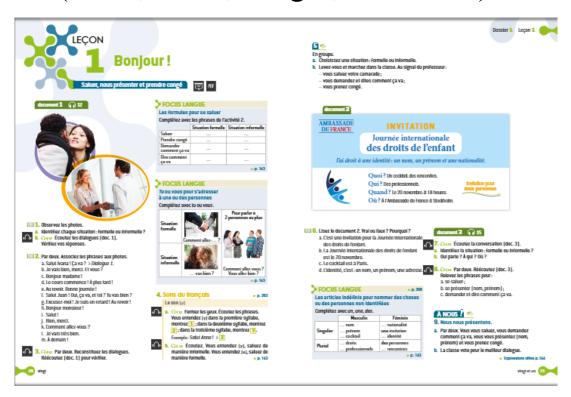

Text chat with your teacher and/or the participants

Share content

During class: enjoy access to unlimited resources

Your teacher can share with you many types of educational content and files (audio, video, images, website...)
